CANADIAN MUSEUMS ASSOCIATION NATIONAL CONFERENCE APRIL 14-17

CMA National Conference Toronto, Ontario

CMA 2019 is the largest national event convening senior-level museum professionals throughout Canada! Whether you are reinforcing or introducing products and services, CMA Expo 2019 is the most cost-effective way to reach the largest number of professionals tasked with bringing new technologies, solutions and products to their institutions.

CMA 2019 is designed to provide Canadian museum professionals with critical information to streamline their institution's effectiveness. In gathering professionals from across Canada, this conference provides a unique opportunity to explore cultural collaborations and other topics of importance to our community.

Delegate Profile: More than 500 decision-makers who are directly involved with Canada's cultural institutes are expected to participate. These will include Executive Directors, Chief Financial Officers, Curators, Educators, Interpreters and Senior Managers, as well as Board Members.

Sessions: Plenaries, breakouts, workshops and study tours will explore a variety of topics, many related to the conference theme — **What Now? What's Next? Collections, Audiences, Leadership, Diversity and Skills Development.**
