Round table discussions

(Please indicate first, second and third choice of topics)

- What will be the impact of technology on exhibition design?
- Visitor expectation and how does it affect design?
- How and why do you integrate objects into exhibitions?
- Is there a difference in designing for various types of exhibitions?
- Is green design achievable?
- How do you become innovative and address the challenges of design within your own limitations?
- What are the innovations in lighting, colour and new materials?

Language preference for round table discussions:

- English only French only Bilingual

The conference program is subject to change without notice.
Please check museums.ca/site/EDS_2018 regularly for updates.
